

P. G. Garodia School [ICSE]

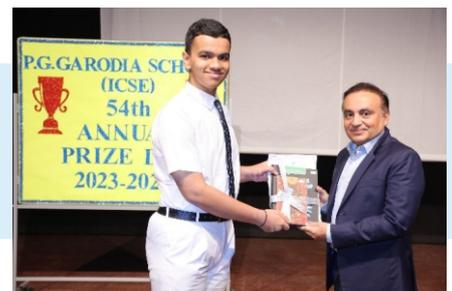

INSIGHT

We are excited to share the first edition of 'Insight', our quarterly newsletter for the year 2024-25. This year promises to be filled with learning, growth, and community engagement. "Education is the most powerful weapon which you can use to change the world." - Nelson Mandela In this issue, you'll find highlights of recent student activities, updates on upcoming events, and spotlights on the incredible work of our students. Thank you for being a vital part of our school community. Let's make this year one of the best yet!

ANNUAL PRIZE DAY

"Believe you can and you're halfway there."

P.G Garodia School held a prize distribution for our 10th grade students from the 2023-2024 batch, along with honoring excellent performers from grades 6-9. Kudos to our stars, supportive parents, and dedicated teachers!

WORLD EARTH DAY

On April 5, 2024, students from grades 1 to 5 at celebrated Earth Day with creativity and enthusiasm. The day began with the inspiring quote, "The Earth does not belong to us: we belong to the Earth," by Marlee Matlin.

Students participated in a poster-making competition, creating colorful and impactful artwork to raise environmental awareness. They also took part in a rally around the school, carrying their posters and chanting slogans to emphasize the importance of environmental conservation.

Throughout the day, students engaged in activities that promoted sustainable practices, such as discussions on reducing waste and planting trees. The celebration was a resounding success, showcasing the students' dedication to making a positive impact on our planet.

Every day is Earth Day, and together we can make a difference. Happy Earth Day!

INTERHOUSE DANCE

Inter-House Dance Competition Celebrates Vibrant Folk Traditions

An exhilarating Inter-House Dance Competition was held on 25th April, focusing on the rich and diverse world of folk dances. Each house showcased their talent and creativity, bringing traditional dances from various cultures to life. The event was a splendid display of rhythm, color and heritage, leaving the audience thoroughly captivated and proud of our student's performances.

INTERHOUSE DRAMA

Inter-house Drama Competition: Exploring 21st Century Education

Our school's inter-house drama competition which was held on 26th April, captivated audiences with thought-provoking performances on the theme of "21st Century Education." Each house showcased their creativity and insight, highlighting the challenges and innovations shaping modern learning. The event was a brilliant display of talent and teamwork, leaving everyone inspired about the future of education.

LIBRARY WEEK

“To students, a library is more than just a room full of books—it’s a place where curiosity is nurtured, minds are expanded, and lifelong learning begins.”

The Library Week was conducted for the Secondary Section in the first week of April. The Classrooms were decorated with charts by renowned writers and famous personality born in month of April.

Various activities such as The Book Talk, writing a short review and missing information in the book, giving your suggestions were conducted which helped the students in exploring and discovering themselves in a ‘World of Books’.

MARATHI ELOUTION

Reflecting on a successful event! PG Garodia's Marathi elocution competition, held in celebration of BR Ambedkar's birth anniversary, was a meaningful tribute to our drafting committee chairman and other revered figures. Showcasing the richness of the Marathi language, it was a true testament to our cultural heritage. Thank you to all who participated!

POTTERY EVENT

Hands in Mud: An enriching pottery workshop for students, aimed at fostering creativity, fine motor skills, and an appreciation for the art. The workshop, held in the school's auditorium, was a resounding success, offering students a hands-on experience in the ancient art of pottery.

QUIZ COMPETITION

“A quiz challenges the mind and fuels the spirit of learning.”

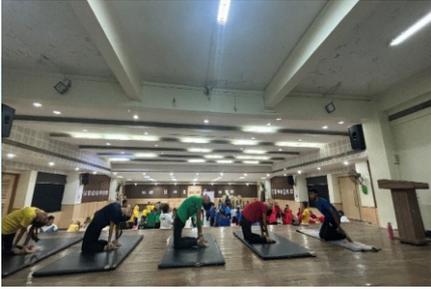

On 10th April, P.G.Garodia school hosted a thrilling Quiz competition, bringing together some of the brightest minds from grades 6-10. The event aimed to challenge students' knowledge across various subjects, promoting healthy competition and foster a love for learning.

YOGA DAY

“Yoga is the journey of the self, through the self, to the self.”

International Yoga Day was celebrated on Friday, 21st June, 2024 with great zest at P.G. Garodia School. The yoga day began with a warm up session followed by meditation, surya namaskar, Pranayam and various sitting asanas.

CLASSROOM ACTIVITIES

Learning by Doing in Grades 1-4

At our school, we believe that the best way for young minds to grasp new concepts is through hands-on experiences. For our students in grades 1 to 4, "learning by doing" is an integral part of our curriculum. This approach not only makes learning more engaging but also helps children develop critical thinking, problem-solving, and collaboration skills.

From interactive science experiments and creative art projects to practical math exercises and outdoor activities, our students immerse themselves in a variety of hands-on learning experiences. This method encourages curiosity, fosters a deeper understanding of the subjects, and makes education an exciting journey.

Quotes :

1. "Tell me and I forget. Teach me and I remember. Involve me and I learn." - Benjamin Franklin
2. "Learning is not the product of teaching. Learning is the product of the activity of learners."
- John Holt
3. "The best way to predict your future is to create it." - Peter Drucker
4. "What we learn with pleasure we never forget." - Alfred Mercier
5. "The only source of knowledge is experience." - Albert Einstein

By engaging in hands-on activities, our students not only learn academic concepts but also gain valuable life skills. We are proud to see them grow into inquisitive, confident, and capable individuals. At our school, learning by doing is more than a teaching method—it's a way of preparing our students for the future.

Quotes :

6. "I hear and I forget. I see and I remember. I do and I understand." – Confucius
7. "Experience is the teacher of all things." – Julius Caesar
8. "The more you practice, the better you get, the more freedom you have to create." – Jocko Willink
9. "You don't learn to walk by following rules. You learn by doing, and by falling over." – Richard Branson
10. "Education is not the filling of a pail, but the lighting of a fire." – William Butler Yeats

INVESTITURE CEREMONY

"Leaders are not born, They are made."

The Investiture Ceremony held on 7th June, 2024 at P.G. Garodia School ICSE was a grand celebration of leadership and responsibilities. The newly elected student leaders took their oath with pride, promising to uphold the school's values.

NEHRU SCIENCE CENTER

Our Grade 8 students from P.G. Garodia visited the Nehru Science Centre. They explored fascinating exhibits, engaged in hands-on activities, and broadened their understanding of science. It was an inspiring and educational experience for all!

CHORAL RECITATION

'Verses in Action' -Choral Recitation Contest

As Robert Frost said, "Poetry is when an emotion has found its thought and the thought has found words." This competition highlighted the beauty of poetry and its power to connect us all.

The Choral Recitation Competition for grades 3 to 5 was held on 15th July 2024. It was a wonderful display of our students' talents and teamwork. Each class delivered captivating performances, bringing poems to life with expressive voices and enthusiasm.

BAGLESS DAY

Ninja Numbers:

On July 3rd, 2024, our school hosted "Ninja Numbers," a special bagless day dedicated to financial literacy for students in grades 1 to 5. This innovative event aimed to teach young learners the essentials of money management through engaging and hands-on activities.

The day started with a skit on 'Evolution of Money'. **Coin Sorting** allowed students to identify and count different denominations, building their understanding of money's value. The **Piggy Bank Making** activity encouraged creativity while teaching the importance of saving and setting financial goals.

The **Money Ladder** game added a competitive edge, where students answered questions about spending and saving to climb the ladder. This reinforced their financial knowledge and made learning fun and interactive. The event also featured a spirited **Quiz**, testing the students' new skills and fostering a sense of achievement.

"Ninja Numbers" demonstrated that learning can go beyond traditional classrooms and textbooks, instilling essential life skills in an enjoyable and memorable way.

Grade 1: Coin Caterpillar

Grade 1: Coin Sorting Activity

Grade 1: Making Piggy Bank

Grade 2: Making Money Envelope

Grade 2: Hindi Money Game

Grade 3: Counting Cloud Activity

Grade 3: Paper Bag Activity

Grade 4: Money Ladder Activity

Grade 4: Teeth Model making activity

Grade 4: Elections Activity

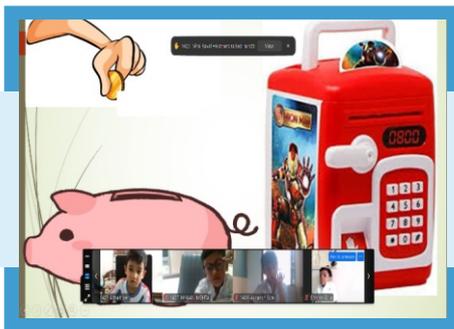

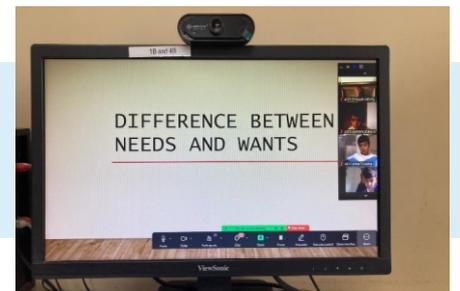

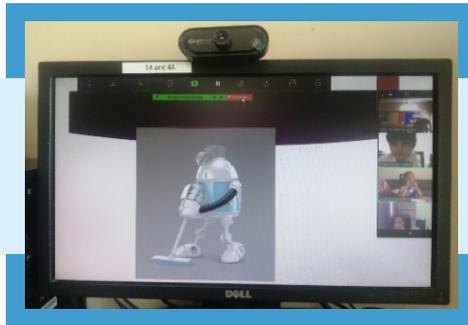

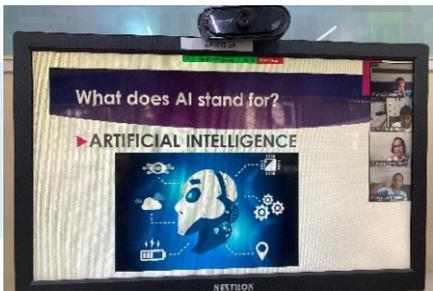

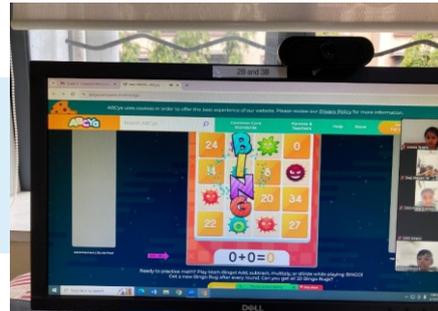

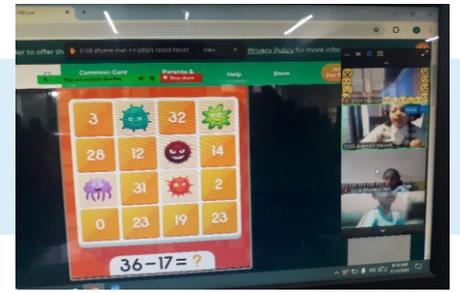

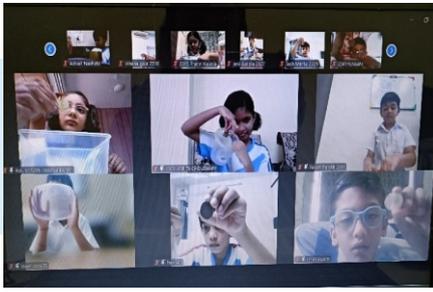

Grade 4: Quiz in grade 3 and 4

ROBOTICS and FINANCIAL LITERACY

Financial literacy and robotics were introduced to classes 1 to 5 through engaging online sessions. Using games like bingo, students learn essential financial and robotics skills in a fun and interactive way, making education both enjoyable and practical. This initiative prepares young learners for a future where financial and technological skills are essential.

MODEL UNITED NATIONS (MUN)

The Model United Nations (MUN) conference was held on July 5th and 6th, 2024. It brought together enthusiastic students from grades 8, 9 and 10 to engage in a simulation of the United Nations. This event aimed to enhance our students' understanding of international relations, diplomacy and global issues. It also helped in working on their public speaking, negotiation and research skills.

YOUTH PARLIAMENT

On 19th July 2024, a Youth Parliament session was hosted which was designed to engage students in the democratic process and develop their understanding of parliamentary procedures. The students debated on the topic of Expansion of healthcare system in India. This provided a unique opportunity for students to voice their opinions and experience the workings of a legislative body.

CELEBRATING STUDENT ACHIEVEMENTS

"Excellence is not a skill, it's an attitude." – Ralph Marston

We are incredibly proud of our students' accomplishments in both sports and academics. Their dedication and hard work have led to outstanding performances on the field and exceptional results in exams like the Olympiad.
